

LARISON ROCK HILLCLIMB 1988 RESULTS

Larison Rock #1 is now history, but a good time was had by all. I personally would like to congratulate Bonnie on a job extremely well done. It was a very difficult task to start this new hillclimb, but now we feel it is on line and will be on the calendar for years to come.

We are so thankful for all of you volunteers that gave freely of your time to make this event possible. We even had Bob and Marylou Wilson come from Bend just to help us out. A very large thanks has to go to Frank Carson of the Willamette National Forest, Rigdon Ranger District for working with us, not only with allowing us use of the road, but with supplying the pumper truck for the weekend. Thanks again to everyone for coming, for making Larison Rock Hillclimb 1988 a huge success. Hope to see all of you again in 1989.
