* Trophy Winners in Classes.

Willamette Motor Club would like to thank all of you who participated and a Special thanks to those of you that worked for us.

A very special thanks to Randi L. for her classing of the cars and Mrs. Nay for the use of her coffee pot Sunday morning. We know there are more of you that we should send a special thanks to and we do. You all know who you are. THANK YOU!!!!

We want to also thank you for being so patient in waiting for the results to be sent out. Mike and I have had to do some moving, right after the Hillclimb, then a month later and then the Holidays were upon us and then it was time to send out the flyers for this years Hillclimb and we figured we waited this long, a few more weeks.....

We hope to see all of you back again for 1982's Hillclimb, which will be in August. In moving the date to later in the summer, we are hoping the weather we have will be better to us and promise that the results will go out a lot sooner.

Till later!!!!
